No, I think the updates just with the Tribes works well because of the limited audience. But for the more general stuff, good to add him.

By the way, thank you for putting those monthly updates together. I appreciate how generous you and Dave are being with your time and it is very valuable to me and my clients.

Dietrick and Ginny,

Thank you for the contact information for Mr. Krause. I will try to remember to start including him in ongoing activities, but please feel free to remind me if I forget. Would you like for him to join us (or at least be invited) to our monthly calls?

Ginny asked me to send this request along, John is with BIA and has been working with the Tribe regarding the site for several years. He needs to get notifications regarding meetings, calls, documents et cetera. His email address is:

Thanks,
